BECOME A STUDENT MEMBER!

Join today and plant the seed to start your career.

As an ISACA student member, you will join a community of students from more than 300 universities worldwide. ISACA student members major in a variety of areas, including:

- › Information systems
- › Business administration
- › Accounting
- › Information technology
- › Engineering
- › Computer science

To qualify you must be considered a full-time student by your university/college or be enrolled in at least 12 credit hours as an undergraduate student or 9 credit hours as a graduate student.

Student membership dues include US \$25 for basic ISACA International membership (dues savings of US \$110), plus local chapter dues (at zero or reduced student rates).

MAKE CONNECTIONS

with people who work in your target field and those who hire for positions you seek.

- › **Online**—Connect with professionals and mentors through ISACA's Knowledge Center, and explore current issues and professional practices on more than 100 topics, including the new students online community created just for you.
- › **On Campus**—Start an ISACA Student Group and invite local professionals to your events. Gain valuable leadership experience for your resume/CV. Each ISG is recognized by ISACA and affiliated with a local chapter of ISACA.
- › **Local Chapter Meetings**—Participate locally and learn about career opportunities in your area, share knowledge and meet those practicing in your target profession.
- › **Social Media**—Network and connect with IT professionals through ISACA's social media outlets on LinkedIn (ISACA Official), Facebook (ISACA) and Twitter (ISACA International).

EXPAND YOUR LEARNING

and open the door to professional resources.

- › **ISACA® Journal**—Browse the online, fully interactive version of the award-winning *ISACA® Journal*, featuring current IS topics, trends and professional development information.
- › **ISACA Free/Discounted Publications**—Access complimentary downloads such as the new COBIT® 5 and white papers such as: *Guiding Principles for Cloud Computing Adoption and Use*, *Mobile Payments: Risk, Security and Assurance Issues* and many others. Also receive discounts on ISACA Bookstore publications.
- › **ISACA eLibrary**—Search and browse more than 500 complimentary books from ISACA and third-party publishers in a collection customized for ISACA members.

ADVANCE YOUR CAREER

through professional development.

- › **Education Beyond the Classroom**—Obtain discounts on numerous ISACA global events and conferences annually, free webinars, virtual conferences and local professional development. Webinars for young professionals are also available that include technical and soft skills training, such as interview tips, communication skills and more.
- › **Career Centre**—Access ISACA's job board of 5,000 jobs, including student internships, and career positions posted on other job boards, so you can search all available jobs in one location. You can also post your resumé/CV and receive notifications of new jobs free-of-charge.
- › **Certification**—To position yourself for a fulfilling and high-paying career, consider one of ISACA's four certifications: Certified Information Systems Auditor (CISA®), Certified Information Security Manager (CISM®), Certified in the Governance of Enterprise IT (CGEIT®) or Certified in Risk and Information Systems Control™ (CRISC™) certification.
